Statement of: Mr abu HASSAN  
Age if under 18: Over 18  
Occupation: Hotel manager

This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Date: 15 Jan 2022

This statement refers to the day myself and my colleague Darrius were assaulted on shift at my place of work Great Scotland Yard Hotel by a male who entered the hotel.

The persons involved in this incident are myself, Security member Darrius ill referrer to his as DARRIUSZ and an unknown male ill referrer to as MALE 1

This incident occurred at the Great Scotland Yard Hotel SW1A 2HN. This is a new hotel in Westminster which opened in 2019. The hotel was not busy at the time of the incident, there were very few people around.

On SATURDAY 15TH JANUARY 2022 at 2125 hours I was on shift in my position as hotel manager at Great Scotland Yard hotel. MALE 1 entered the hotel and approached me hotel reception desk. MALE 1 said to me I have luggage to collect from the hotel and preceded to hand me a valid luggage receipt to collect his luggage as he had previously dropped his luggage off at the hotel in the morning prior to his booked stay tomorrow. I retrieved MALE 1's luggage and gave it to him and he then says to me I have a room booked here for today. I looked in the system and saw he didn't have a booking for today but did have a booking for tomorrow. MALE 1 then says I need a booking for today and gives me a members card for the company and his visa credit card. After this I proceed to book him a room for today, the hotel system accepts the credit card and I give him the key to room 307. MALE 1 leaves the reception with his luggage and heads to his room.

I also  
that  
from myself  
At the lobby

Credit Card

Approximately 5 minutes later I noticed that MALE 1's credit card he had provided for payment had changed to declined by the hotel system. At this point I immediately head up to room 307 to inform MALE 1 he is required to correct his payment to continue his stay at the hotel or leave. I knock on the door 3 times with no response. MALE 1 then opens the door slightly and says what do you want? I inform him he needs to correct his payment. MALE 1 says "I don't have an card go away now, fuck off, fuck you." I responded I am not going to leave either you provide a card or you leave the hotel.

Door opened

immediately after MALE closes the door and I audibly hear the locks on the door turn. I then radio security member DARRIUS to come and assist me. Approximately 3 minutes later DARRIUS arrives outside room 307.

I informed DARRIUSZ of the situation with MALE 1 that he is no longer permitted to stay at the hotel. We both decide to enter his room to confront him. We open the door and MALE 1 was in the bathroom inside the shower so myself and DARRIUSZ stand outside the shower so he saw us. MALE 1 was in the shower singing. MALE 1 sees us exits the shower and begins screaming at us. DARRIUSZ explains to him he needs to leave. MALE 1 responds by raising his voice loudly screaming "You are fucking son a bitch" becoming very aggressive. We try to deescalate the situation with MALE 1.

MALE 1 then throws a punch towards DARRIUSZ and hits him and DARRIUSZ falls to the ground, I raise hands, open palms towards MALE 1 pleading for him to stop. MALE punches me in the face in my right eye with so much force that I fall back and land on the bed. Immediately I stand up, DARRIUSZ remains on the floor and MALE 1 hits me again him my head on my left temple with so much force that I fall and hit the floor, I remember my head hurting intensely after this. I remain on the floor and DARRIUS stands up saying to me lets go and call the police. MALE 1 continues to shout expletives aggressively towards us I can't remember exactly what he was saying at this point. Next Myself and DARRIUSZ both leave the room rapidly without looking back at MALE 1 and the room door closes behind us with MALE 1 remaining inside.

Next I dial 999 for police assistance and waited for police arrival. We both go down to the lobby to await police DARRIUSZ goes to the CCTV room to watch the cameras to monitor the elevator and stairs for if MALE 1 decides to leave the hotel. DARRIUSZ comes to the hotel entrance and tells me MALE 1 is coming down the elevator now at this point police arrive and MALE 1 appears from the elevator and I see him get arrested by police.

*Do not alter  
Postscript  
Honest Property*

I now go up to room 307 as I notice have lost my glasses and DARRIUSZ asked me to get his jacket and his work phone which he dropped in the room during the fight. I go up to the room and find my glasses broken which I had previously been wearing prior to MALE 1 fighting me, no body had permission to damage my glasses they are valued at £600 and are the brand Lacoste. I brought DARVOUSZ' jacket but his work phone was missing, DARRIUSZ went up to room 307 to look for his work phone and it was not there. While in room 307 DARRIUSZ also noticed that both of our security radios dropped during the fight were submerged in the room 307 toilet now destroyed I believe them to have been put there by MALE 1. Police who attended searched MALE 1 and found DARRIUSZ' work phone in his luggage. I had no further contact with MALE 1 after this.

I would say the incident in room 307 when myself and DARRIUSZ confronted MALE 1 lasted approximately 30 minutes. I was directly next to MALE 1 and had physical contact with him during the incident. The visibility was clear and the room was well lit and there was no obstructions. I have never seen MALE 1 before today and I do not know him. I distinctly remember MALE 1 for having a beard and a large body. There is no errors or discrepancies in any first and subsequent accounts I have given to police in regards to this incident.

*Same Answer*

I would describe MALE 1 as white male, American accent, 175 cm tall, massive stocky build, dark short hair, unfriendly looking face, little beard, wearing a long coat jacket cream colour, long trousers.

I wish to give a statement in relation to an incident of assault, Theft and Criminal Damage that my colleague and I were victim of on 14TH January 2022 at approximately 11:00 hrs.  
In this statement I shall be referring to the person responsible for this. I would describe him as a white male aged around 45-50 years old of large build. He has around 175-180 cms tall. I think he had dark hair worn in a pony tail. During the assault he was

Indeed later he was wearing a long green coat I think he had worn on. He was carrying a leather bag which was brown it had a stripe I don't think it was all leather he also was carrying I think a dark green canvas bag. For the purposes of this statement I shall refer to him as LARGE MALE. He spoke with what I think was an AMERICAN accent.  
I shall also be referring to my colleague ABU.  
The incident took place at GREAT SCOTT AND YANN HOTEL. The assault took place in Room 302. The room is fairly small the bed is on the right hand side of the door. There is an en suite shower room on the bottom of the bed - THE Hotel has around 150 rooms. I have worked for the hotel as a Security Team Leader since it opened 2 and a half years ago.

On FRIDAY 14TH JANUARY 2022 I was at work when I noticed LARGE MALE on the HOTEL Camera system has come caught my attention and wasnt in keeping with the usual behavior of the hotel. I spoke to my colleague Abu who I saw my colleague ABU talking to Large MALE who should have something and gave him some ID or something. It appeared as though he was a welcome guest so I paid no more attention to him. Around 10 minutes later I was aware Abu was on the floor floor I then heard him say something over the radio like "SIR YOUR CARD HAS BEEN DECLINED" I could hear Large male aggressively shouting and swearing at ABU. ABU was outside the room for about 5 minutes. I then called ABU to ask what was going on. He said something

Like "GIVE ME A FEW MINUTES I'LL CALL YOU LATER" I asked for him to tell me what was going on. I was watching ABU on the Camera. ABU explained to me that the Motel Card had been declined and that he was in the room and wouldn't leave and could I go and help him. I called my manager and apprised him of the situation. I went up to room 304 to assist ABU. I knocked the door and there was no reply. I decided to let myself in. They say ABU had a key card to ask him to either pay for the room with a different card or that he would have to leave. When I opened the door I could not see LARGE MALE the room smell of alcohol and I could see 1 bottle of wine on the table and Clothes strewn across the floor. I turned towards the bathroom and could see that LARGE MALE was in the shower. I moved

So I couldn't see him in the shower. I confronted myself and said something like "SIR I'M A SECURITY OFFICER IN THE HOTEL, MY COLEAGUE SAID THERE IS SOME ISSUE WITH PERSON CAN YOU PLEASE TALK TO US TO SOLVE THIS PROBLEM".  
LARGE MALE was shouting something like "YOU CAN'T BE IN MY ROOM I'M IN THE SHOWERS IF YOU DON'T LEAVE I WILL F\*\*K YOU UP, I'll KNOCK YOU OUT LEAVE YOUR EYES AND MOUTH".  
Said "SIR THERE IS NO NEED TO DO THAT".  
LARGE MALE OPENED THE DOOR AND CAME FLYING OVER AND ATTACKED ME hitting me 3-4 times on the face. He was using both hands he didn't seem to control very well. I could taste blood in my mouth. I tried to push him back and tried to take him to the floor but he was wet and I couldn't hold him as we were grappling. I have felt him put a finger into my right eye and

I went back down to police and said that I cannot find the phones or my debit card. I dialled my number from a colleague's phone and it rang inside LARGE MALE'S leather bag. The police found both of the phones and my debit card was in his bag. LARGE MALE accused me of putting these items in his bag before this was never taken away. No one has permission to assault me, take my stuff or damage my stuff. This incident has left me feeling scared. I thought I was going to lose my eye and not be able to see again.

This statement relates to Assault on TWO (2) members of hotel staff. Theft of a TWO (2) mobile phones and Criminal Damage of the victims glasses and the hotel security radio.

I am PC CHANT 2893AW on FRIDAY 14th JANUARY 2022 I was on duty in full uniform and paraded from CHARING CROSS (CX) Police Station for Night shift. I was tasked to carry out patrols C/S AW 75N with PC2272AW.

At APPROX 22:25 HRS I responded to a call at GREAT SCOTLAND YARD HOTEL, 3-5 Great Scotland Yard, London, SW1A 2HN, CAD 7809/14JAN22 refers. Upon arriving at the scene we were met by a male I now know to be Mr IGNACZAK, the hotel security, and another male I now know to be Mr Abu HUSSAN, hotel manager. Both stated they had been assaulted by a male they had asked to leave and he was still up in his room. They both stated they wished to press charges. After receiving an account of what had happened, Mr IGNACZAK stated that the suspect was on his way down and was in the lift coming down to the lobby. We waited in front of the lifts for the male suspect, I now know to be Mr Glynn FOX.

We briefly spoke to Mr FOX and asked what had happened? Mr FOX stated words to the effect "that he was allowed to defend himself as the men had come into my room while I was naked and they tried to rape me. I am US citizen speak to my embassy." "You need to inform my embassy, I don't understand your English, I want an interpreter that speaks American English."

I stated words to the effect, "you are under arrest as allegations have been made that you assaulted TWO (2) members of staff. The necessity for the arrest is for a prompt and effective investigation, to prevent harm, prevent loss and to prevent disappearance. I must caution you, you do not have to say anything, but it may harm your defence, if you do not mention when questioned something that you later rely on in court, anything you do say, may be given in evidence." I asked Mr FOX to put both arms one above the other so I could place him in handcuffs in the front stack position,

My use of force, was Common Law, permits reasonable and proportionate force where necessary in self-defence or defence of another or to stop or prevent a breach of the peace.

Also Section 3 (1) Criminal Law Act 1967, States a person may use such force as is reasonable in the circumstances in the prevention of crime, or in effecting or assisting in the lawful arrest of offenders or suspected offenders or of persons unlawfully at large.

Also, Section 117 PACE, Where any provisions of this act: A) confers a power upon a constable and B) does not provide that the power may only be exercised with the consent of some person other than a police officer the officer may use reasonable force if necessary in the exercise of the power.

I called for cell space and requested a unit to take statements and gather the evidence, also a van to transport Mr FOX to CHARING CROSS CUSTODY. Upon arrival of the van PC2679AW searched the bags belonging to Mr FOX under S.32 of PACE. While searching the security Guard, Mr IGNACZAK came down from the suspect's hotel room with the radio and stated that he had found this in the toilet. He also stated that he could not find his mobile phone. I borrowed a mobile and called it and Mr FOX's bag began to ring. PC2679AW located the ringing and found MR IGNACZAK's mobile phone, which was returned to him, along with the

This statement relates to Assault on TWO (2) members of hotel staff, Theft of a TWO (2) mobile phones and Criminal Damage of the victim's glasses and the hotel security radio.

I am PC CHANT 2893AW on FRIDAY 14th JANUARY 2022 I was on duty in full uniform and paraded from CHARING CROSS (CX) Police Station for Night shift. I was tasked to carry out patrols C/S AW 75N with PC2272AW.

At APPROX 22:25 HRS I responded to a call at GREAT SCOTLAND YARD HOTEL, 3-5 Great Scotland Yard, London, SW1A 2HN, CAD 7809/14JAN22 refers. Upon arriving at the scene we were met by a male I now know to be Mr IGNACZAK, the hotel security, and another male I now know to be Mr Abu HUSSAN, hotel manager. Both stated they had been assaulted by a male they had asked to leave and he was still up in his room. They both stated they wished to press charges. After receiving an account of what had happened Mr IGNACZAK stated that the suspect was on his way down and was in the lift coming down to the lobby. We waited in front of the lifts for the male suspect, I now know to be Mr Glynn FOX. We briefly spoke to Mr FOX and asked what had happened? Mr FOX stated words to the effect 'that he was allowed to defend himself as the men had come into my room while I was naked and they tried to rape me. I am US citizen speak to my embassy.' "You need to inform my embassy, I don't understand your English, I want an interpreter that speaks American English."

I stated words to the effect, "you are under arrest as allegations have been made that you assaulted TWO (2) members of staff. The necessity for the arrest is for a prompt and effective investigation, to prevent harm, prevent loss and to prevent disappearance. I must caution you, you do not have to say anything, but it may harm your defence, if you do not mention when questioned something that you later rely on in court, anything you do say, may be given in evidence." I asked Mr FOX to put both arms one above the other so I could place him in handcuffs in the front stack position.

My use of force, was Common Law, permits reasonable and proportionate force where necessary in self-defence or defence of another or to stop or prevent a breach of the peace.

Also Section 3 (1) Criminal Law Act 1967. States a person may use such force as is reasonable in the circumstances in the prevention of crime, or in effecting or assisting in the lawful arrest of offenders or suspected offenders or of persons unlawfully at large.

Also, Section 117 PACE, Where any provisions of this act: A) confers a power upon a constable and B) does not provide that the power may only be exercised with the consent of some person other than a police officer the officer may use reasonable force if necessary in the exercise of the power.

I called for cell space and requested a unit to take statements and gather the evidence, also a van to transport Mr FOX to CHARING CROSS-CUSTODY. Upon arrival of the van PC2679AW searched the bags belonging to Mr FOX under S.32 of PACE. While searching the security Guard, Mr IGNACZAK came down from the suspect's hotel room with the radio and stated that he had found this in the toilet. He also stated that he could not find his mobile phone. I borrowed a mobile and called it and Mr FOX's bag began to ring. PC2679AW located the ringing and found MR IGNACZAK's mobile phone, which was returned to him, along with the

MALE 1 then throws a punch towards DARRIUSZ and hits him and DARRIUSZ falls to the ground, I raise hands, open palms towards MALE 1 pleading for him to stop. MALE punches me in the face in my right eye with so much force that I fall back and land on the bed. Immediately I stand up, DARRIUSZ remains on the floor and MALE 1 hits me again him my head on my left temple with so much force that I fall and hit the floor, I remember my head hurting intensely after this. I remain on the floor and DARRIUSZ stands up saying to me lets go and call the police. MALE 1 continues to shout expletives aggressively towards us I cant remember exactly what he was saying at this point. Next Myself and DARRIUSZ both leave the room rapidly without looking back at MALE 1 and the room door closes behind us with MALE 1 remaining inside.

Next I dial 999 for police assistance and waited for police arrival. We both go down to the lobby to await police. DARRIUSZ goes to the CCTV room to watch the cameras to monitor the elevator and stairs for if MALE 1 decides to leave the hotel. DARRIUSZ comes to the hotel entrance and tells me MALE 1 is coming down the elevator now at this point police arrive and MALE 1 appears from the elevator and I see him get arrested by police.

I now go up to room 307 as I notice I have lost my glasses and DARRIUSZ asked me to get his jacket and his work phone which he dropped in the room during the fight. I go up to the room and find my glasses broken which I had previously been wearing prior to MALE 1 fighting me, no body had permission to damage my glasses they are valued at £600 and are the brand Lacoste. I brought DARUOUSZ' jacket but his work phone was missing. DARRIUSZ went up to room 307 to look for his work phone and it was not there. While in room 307 DARRIUSZ also noticed that both of our security radios dropped during the fight were submerged in the room 307 toilet now destroyed I believe them to have been put there by MALE 1. Police who attended searched MALE 1 and found DARRIUSZ' work phone in his luggage. I had no further contact with MALE 1 after this.

I would say the incident in room 307 when myself and DARRIUSZ confronted MALE 1 lasted approximately 30 minutes. I was directly next to MALE 1 and had physical contact with him during the incident. The visibility was clear and the room was well lit and there was no obstructions. I have never seen MALE 1 before today and I do not know him. I distinctly remember MALE 1 for having a beard and a large body. There is no errors or discrepancies in any first and subsequent accounts I have given to police in regards to this incident.

I would describe MALE 1 as white male, American accent, 175 cm tall, massive stocky build, dark short hair, unfriendly looking face, little beard, wearing a long coat jacket cream colour, long trousers.

PC ELLIS taken photos of my injuries and my broken glasses. I exhibit the photo taken of my right eye as AH/01. I exhibit the photo taken of my left temple on my head as AH/02. I exhibit the photo of my broken glasses which were damaged during the incident as AH/03.

This statement refers to the day myself and my colleague Darrius were assaulted on shift at my place of work Great Scotland Yard Hotel by a male who entered the hotel.

The persons involved in this incident are myself, Security member Darrius ill referrer to his as DARRIUSZ and an unknown male ill referrer to as MALE 1

This incident occurred at the Great Scotland Yard Hotel SW1A 2HN. This is a new hotel in Westminster which opened in 2019. The hotel was not busy at the time of the incident, there were very few people around.

On SATURDAY 15TH JANUARY 2022 at 2125 hours I was on shift in my position as hotel manager at Great Scotland Yard hotel. MALE 1 entered the hotel and approached me hotel reception desk. MALE 1 said to me I have luggage to collect from the hotel and preceded to hand me a valid luggage receipt to collect his luggage as he had previously dropped his luggage off at the hotel in the morning prior to his booked stay tomorrow. I retrieved MALE 1's luggage and gave it to him and he then says to me I have a room booked here for today, I looked in the system and saw he didn't have a booking for today but did have a booking for tomorrow. MALE 1 then says I need a booking for today and gives me a members card for the company and his visa credit card. After this I proceed to book him a room for today, the hotel system accepts the credit card and I give him the key to room 307. MALE 1 leaves the reception with his luggage and heads to his room.

Approximately 5 minutes later I noticed that MALE 1's credit card he had provided for payment had changed to declined by the hotel system. At this point I immediately head up to room 307 to inform MALE 1 he is required to correct his payment to continue his stay at the hotel or leave. I knock on the door 3 times with no response. MALE 1 then opens the door slightly and says what do you want? I inform him he needs to correct his payment. MALE 1 says "I don't have an card go away now, fuck off, fuck you." I responded I am not going to leave either you provide a card or you leave the hotel. Immediately after MALE closes the door and I audibly hear the locks on the door turn. I then radio security member DARRIUS to come and assist me. Approximately 3 minutes later DARRIUS arrives outside room 307.

I informed DARRIUSZ of the situation with MALE 1 that he is no longer permitted to stay at the hotel. We both decide to enter his room to confront him. We open the door and MALE 1 was in the bathroom inside the shower so myself and DARRIUSZ stand outside the shower so he saw us. MALE 1 was in the shower singing. MALE 1 sees us exits the shower and begins screaming at us, DARRIUSZ explains to him he needs to leave. MALE 1 responds by raising his voice loudly screaming "You are fucking son a bitch" becoming very aggressive. We try to deescalate the situation with MALE 1.

Dear Glynn

RE: Your Case  
Southwark Crown Court  
Next Date of Attendance: 14/02/2022 at 10:00

I write regarding the above matter.

Thank you for returning the legal aid forms, however we have to explain to the LAA how you supported yourself prior to being remanded and this was not stated.

There was mention at the police station when you were arrested that you received financial assistance from the US Government - is this correct and if so how much a month did you receive £..... *100*

If no to the above please explain how you supported yourself prior to being remanded into custody

*I received Remand from my self  
U.S. Government, not British Home Office or prison.  
Stating I had been asked to represent myself  
Abroad from the U.S. Government to the Remand  
I could U.C. with prison form, I do not receive any  
funds from the Prison or Southwark Council through S.C. section 18  
We did ask the solicitor dealing with your case Carol Kehoe to ask you on the video conference that was arranged for the 4th February, however you declined to attend on the visit so have been unable to obtain information this way.*

Finally if you have decided that you do not wish for our assistance at court on the above date please confirm here YES/NO or call the office on 0161 233 4321 confirming.

Yours sincerely

I refer to your above case which is listed for pleas on the above date.

I am the Solicitor here at Tuckers allocated to be responsible for the preparation of your case up until it concludes. Deavin,

I haven't been able  
to contact you.

I received your letter  
January 22nd that  
you sent January 2<sup>nd</sup>.

I could only make  
out part of it! I was  
able to make out  
part of the address  
where you are located.

If you can print it  
when you write me,  
I can read it, because  
I can see + understand  
what you're asking me  
to do.

Cameron received 2  
letters from you +  
he could make out  
some of the words.

I understand you're in  
immigration hold. Write  
back so I will know  
what to do.

I have spoken with  
the Embassy and  
they are suppose to  
visit you.

I cannot find out  
about anything regarding  
you, until you give  
them permission. You  
have to sign a paper  
allowing them to  
talk to me. I  
called them because  
I had not heard  
from you since Jan.  
13<sup>th</sup>. I was very  
worried.

I hope to hear  
from you or the  
Embassy soon.  
I Love you and I  
hope you are well.

Love,  
Mom
